Expect Big Vote On Election Day Here And County

Members of both political parties in Franklin County are bending all efforts to register an early vote throughout all the towns of the County with the view of establishing two records, that of having the highest percentage of votes cast of any county in the Commonwealth, and also through the cooperation of the polling officers of all towns, in being the first sizeable county to complete its returns at the election next Tuesday.

Owing to the fact that Franklin County has no cities, and counting of ballots may commence before the closing of the polls, whereas in the case of cities, the counting cannot be started until the polls are closed, it is possible that the county can be the first to report its full vote. In order to do this, however, the voters must give hearty cooperation in casting their ballots early in the day and make a special effort to have all votes in well before the polls close.

This is more necessary this year than ever before on account of the record breaking registration which has brought the total number of voters up to 26,587 this year, an increase of 21,561, over the 1934 total.

Republican town committees are making special efforts to have every available member of the party visit the polls on Tuesday in order to register a monster vote for John W. Haigis, who secured 14,489 votes in 1934 when he was the party candidate for lieutenant governor. It is expected that this year his vote will be substantially increased. His vote in Northfield was 604 out of a registration of less than the present registration which is 1015. In Tuesday's election the polls in Northfield will be open from 10 a. m. to 8 p. m.

During the primaries last month, many of the county towns cast a vote in excess of 50 per cent of the registered voters, which is a very high percentage. With the intense interest being shown in the election now it is evident that a new record will be attained.

Since 1780 Franklin County has had but one chance to cast its vote for a resident of the County as a candidate of one of the major parties for the highest office in the Commonwealth. Next Tuesday the County has its sec-

Deerfield Rally For G. O. P. Candidates Proves Big Success

Northfield was well represented at the big GOP rally in Deerfield last Monday evening when Mr. John W. Haigis the Republican candidate for Governor received an ovation to his homecoming.

Leverett Saltonstall candidate for Lieut.-Governor, was present, together with Congressman Allen T. Treadway, Secretary of State Cook and others and all made most inspiring and optimistic addresses regarding the status of the campaign now being waged. Judge Ascher of Worcester paid a fine tribute to Mr. Haigis and Gov.-elect Lewis O. Barrows of Maine, made the address of the evening urging all to be really interested in the coming election and to cast their votes for the entire Republican ticket.

The reception to the candidates was held at five o'clock and at six o'clock over a thousand people were seated for the dinner which was served in a most appetizing manner. To the women of the Franklin County Women's Republican club who acted as hostesses and arranged the affair, much credit is due. Mrs. Ross L. Spencer represented Northfield on the committee.

Plans for the big Republican gathering in Boston Saturday night were announced and special trains will run from North Adams via Greenfield at a low excursion rate. Round trip from Greenfield will be only \$1.50 and the train will leave at 3:21 p. m.

Mr. A. G. Moody is on the committee of arrangement for Northfield from whom all particulars can be obtained. It is expected that fully 2500 people will make the journey and attend the huge demonstration in the Boston Garden. Those going by auto will be provided with space in the area near Park Square. A parade will be formed to march to the meeting and all will be provided with the necessary accoutrements for display. Northfield should send a good-sized representation.

Persons desiring transportation to the polls Tuesday should call S. E. Walker or George W. Carr.

and opportunity in 156 years to honor itself by taking a major part in the restoration of state government in Massachusetts by voting for its own candidate, John W. Haigis.

Marcia H. Childs Becomes Bride Of Rev. E. C. Morgan

In the Church of the Resurrection at Richmond Hill on Long Island on Tuesday evening, Oct. 20, Miss Marcia Hazelton Childs, daughter of the late Mr. and Mrs. Edward Delano Childs of Brooklyn was married to the Rev. Edward Carroll Morgan, son of Mr. and Mrs. Edward Miles Morgan of Northfield and now assistant rector of the Pro-Cathedral Church of the Nativity at Bethlehem, Pa.

The ceremony was performed by Rev. Arthur R. Cummings rector of the church assisted by the Rev. Walter H. Gray of the Pro-Cathedral at Bethlehem. The bride was given in marriage by her brother, Kingsley Childs, of Garden City, L. I. She wore a princess gown of ivory-colored satin, made with fitted sleeves and a long train. Her tulle veil was fastened to a wreath of orange blossoms, and she carried a prayer book. Miss Winifred Sarah Ann Flexer, of Allentown, Pa., was the maid of honor. She wore a gown of dusty pink velvet, silver slippers and a Juliet cap studded with small rhinestones and carried butterfly roses.

The other bridal attendants were Mrs. Kingsley Childs of Garden City, and Mrs. Thurio Childs of Floral Park, L. I., sisters-in-law of the bride. Their costumes were like that of the maid of honor, in a deep shade of amethyst, and they carried talisman roses. Joan Williams, niece of the bridegroom, was the flower girl.

Mr. Miles Edmund Morgan, of Northfield, was best man for his brother, and the ushers were Messrs. Edwin Calvin of New York, and Thurio Childs of Floral Park, brother of the bride.

The bride was graduated from the Academy of St. Joseph, Brentwood, L. I., and from the Moravian College for Women, Bethlehem, Pa., where she was a member of Phi Mu Epsilon. Mr. Morgan prepared at Northfield High School and is a graduate of Harvard College '32, Harvard Divinity School and the Episcopal Theological School of Cambridge.

A reception at the Forest Hills Inn followed the ceremony at the church. The young couple left by motor for a wedding trip through New England and paid a brief visit at his parents' home here, leaving Monday morning for Bethlehem where they will be at home at 531 West Third street, after Nov. 1.

Supper And Show In Grange Plans Are Announced

At the last meeting of the Northfield Grange held Tuesday evening there was a good attendance and the first and second degrees were given to Mr. and Mrs. Clayton Miller of Gill. The first degree was given by the officers of the Grange and the second by the men's degree staff under Past Master Mark L. Wright. It was reported that the Committee on the presentation of a play have selected "Deacon Dubbs" as the title of a particularly interesting and humorous production and that parts had already been assigned.

Friday evening, Nov. 20, has been selected as the date and the play will be given in the town hall. A harvest supper will be given at six o'clock preceding the play. The cast of characters and the story of the production will be given in our columns next week.

Reports of officers submitted at the meeting of the Grange and especially that of the treasurer showed that the organization is in a healthy and prosperous condition.

"Streamline Sue" Town Hall Tonight

Judging from the sale of tickets to performance of "Streamline Sue" at the town hall tonight there will be a good sized audience present. The presentation is by the senior class of the high school for the benefit of their Washington trip fund. The curtain will rise at 8 o'clock. The parts are all taken by capable artists.

The *Hermontite* of Mount Hermon School and the *Star* of the Northfield Seminary have issued recently most attractive and interesting school publications. The editors of both these papers are to be congratulated for their splendid work.

Members of the family from Northfield who attended the wedding ceremony were Mr. and Mrs. Edward M. Morgan, Mr. and Mrs. Miles E. Morgan, Mrs. Earl Danforth, Mrs. Donald Williams and daughter, Joan, and Mrs. James Turner and daughter, Ann, of Greenfield.

Hermion Students Hear Fine Talk On Electricity

At Camp hall on Mt. Hermon campus last Saturday evening an interested audience gathered to hear a talk by Mr. Frederick W. Bliss of the General Electric Co., on the "Progress of Electricity." The talk was perhaps the most scientific and educational that has been delivered hereabouts and was illustrated with lantern slides and with the giving of electrical demonstrations. Mr. Bliss indicated the advancement that has been made in the use of electricity and how it has aided in many ways the development of civilization. Mr. Bliss illustrated with demonstrations the beginnings of the so-called generator, the development of the light bulb of various rays, the transmission of sound and other phases of the art.

The large audience which completely filled the hall listened with rapt attention and at the close of the talk, many remained to ask questions and inform themselves upon many matters connected with electricity.

Brotherhood Clubs In Annual Meeting At Shelburne Falls

The Franklin County Federation of Church Brotherhoods and Men's Clubs will be held with the Baptist church at Shelburne Falls on Tuesday evening, Nov. 10, with a supper at 6:30 o'clock followed by a social half hour and a business meeting.

The annual election of officers will also take place and the speaker of the evening will be Nathan Howard Gist of Leominster who will talk on "Sojourning on Three Continents." Mr. Gist made a tour this summer of Syria, Egypt and Palestine, of continental Europe and the British Isles. He was in Spain just previous to the outbreak of the revolution. He will have much of interest to relate. Roy R. Hatch is president of the Federation.

Red Cross Roll Call

The Red Cross Roll Call will soon be underway and Chairman A. G. Moody will soon announce the solicitors for Northfield and call a meeting to arrange plans at the Northfield Hotel.

The big County meeting and dinner will be called into session soon at Deerfield Academy.

Parent - Teachers Will Discuss The Student Needs

The Parent-Teacher Union will meet next Monday evening at 7:45 in Alexander hall. Mrs. Coombs of the Franklin County Extension Service will be the speaker. There will be a discussion of the need of serving something hot to the pupils who bring lunches. The need of this has been brought to the attention of the Parent-Teacher Union by the school physician, nurse and the teachers.

FORTNIGHTLY

The next regular meeting of the Fortnightly will be held in Alexander Hall next Friday afternoon at 3 o'clock. Mr. N. P. Ames Carter, lecturer and traveler, will be the speaker on "Our Neighbor, Mexico." Mr. Carter comes recommended by the Amateur club who enjoyed his address last season. He will show slides taken from his own photographs. If quarantine regulations are lifted before that date, we shall have with us the members of Mt. Hermon Literary club. Otherwise, we shall have the pleasure of entertaining them at some future time this year.

There was an error in our last report which we wish to correct. Guest night will be observed on Friday, November 20 in Alexander Hall instead of in town hall.

The meeting last Friday evening in the town hall was well attended. Mrs. Robert Wilder had the first period under the direction of the Study Group. Mrs. Wilder discussed certain features of the current political campaign, confining her remarks principally to the Gold Standard question and to Reciprocal Tariffs. Her remarks showed care in preparation and were listened to carefully.

Mr. and Mrs. Monroe Smith of the Youth Hostel, with others of their group presented the Hostel movement following Mrs. Wilder. Mr. Smith showed moving pictures which were much enjoyed especially by the young people. Mrs. Smith spoke briefly. Two folk dances and songs closed the program.

Announcement of the meeting place for the next Sunday group night will be made next week.

The State Gives Town Share of Distribution Of Accrued Receipts

The town of Northfield has received the sum of \$1640.75 in the distribution of the \$2,000,000 fund of accumulated liquor receipts as provided in legislation passed by the Legislature at its last session. The fund was intended for "old age assistance" reimbursement but will not be so used but must be placed in "estimated receipts by each community."

This money was distributed as a result of a compromise agreement in the final days of the Legislature of this year over some \$3,214,000 that had accrued in the State Treasury from liquor commission receipts. It was supposed to be distributed to cities and towns, but there was disagreement as to basis of distribution, so a special act was passed, providing that \$2,000,000 of it be distributed and that Gov. Curley take the \$1,214,000 to help keep down the State tax. The distribution of the \$2,000,000 was along the same lines as the old-age assistance distribution in 1935. Of the amount Franklin County will receive \$29,184 divided among the towns as follows:

Ashfield, \$470.28; Bernardston, \$716.43; Buckland, \$724.23; Charlemont, \$175.41; Colrain, \$487.85; Conway, \$730.50; Deerfield, \$1460.70; Erving, \$781.51; Gill, \$451.24; Greenfield, \$7828.74; Hawley, \$206.42; Heath, \$515.86; Leverett, \$922.72; Leyden, \$133.52; Monroe, \$103.03; Montague, \$3694.60; New Salem, \$255.17; Northfield, \$1640.75; Orange, \$5270.32; Rowe, \$102.15; Shelburne, \$581.66; Shutesbury, \$189.55; Sunderland, \$519.24; Warwick, \$424.19; Wendell, \$546.55; Whately, \$252.30.

There are about 30 million homes in
America. Bear that in mind and then
consider that—

- 19 MILLION HOMES have ELECTRIC IRONS — which means a hot iron and cool kitchen (costs about 6c a week).
- 10 MILLION HOMES have ELECTRIC WASHERS — Saves your hands, your back, your money.
- 7 MILLION HOMES have ELECTRIC REFRIGERATORS — prevents food spoilage, protects health. About 3c a day.

REPUBLICANS! BE SURE YOU VOTE!

The importance of getting EVERY Republican to the polls on Tuesday, Nov. 3, cannot be too strongly stressed. Never before in a Presidential election has the need for arousing and spurring the indifferent voter been so urgent. The result of the election may be very close and EVERY VOTE WILL COUNT.

Only a few votes in each county may represent the margin between victory and defeat. WE MUST HAVE THOSE FEW VOTES IN EACH COUNTY! This is not a fight in which you can choose your weapons. The only weapon is the BALLOT; the only battle ground, the POLLING PLACE; the only TIME, election day, Tuesday, Nov. 3. You can't put off till tomorrow the vote you must cast today. In the vocabulary of the voter, there is no tomorrow and procrastination is the thief of political victory.

Above all, it should be borne in mind that expressions of sympathy and favor for the Republican cause are totally without meaning unless they are EXPRESSED IN THE FORM OF A BALLOT. No registered voter who expresses himself in favor of our party should be permitted to stay away from the polls. If we remember that ONLY VOTES CAST COUNT, and direct our efforts in accordance with that idea, victory will be our reward on November third. (adv.)

THE FOLLOWING DESCRIBED NON-USABLE PROPERTY, TO WIT:

One Democratic Platform—has never been used—is therefore as good as new.

One Car-Load Mixed Feeding Cattle—if not shot before day of sale.

Bones of 12 Million Little Pigs—died from ravages of Three-A bunk.

One Boon-doggling Congress—sired by Dictator and Damned by Everybody.

10 1/2 Car-Loads NRA Code Jokes—nothing better for feeding young goats.

One Lot of Alphabet Blocks—extra fine for juggling acts in amateur vaudeville.

One Big Chisel—badly gapped by constant chiseling into public money box, but could be converted into a good garden trowel.

One Bale Cotton-Control Dope—might be usable, yet, on cotton tail rabbits.

Vote-Baiting Relief Fol de Rols—Grandest collection ever shown under one tent, including down-and-out writer projects, rag doll fantasies, tin can daubings, national youth ticklers, \$50,000 ten-cent pension probes; alphabetical tom-tits for making district and regional white collar pads, hat stretchers, slop jars, self-pinning adjustable badges, hopkinated electro non-talkable check-grinding machines, etc.

EDITORIAL

In 1924 the Literary Digest poll indicated the results of the presidential election within three electoral votes. In 1928 the results of the popular vote and the electoral vote were forecast with accuracy of more than 95 per cent. In 1932 the Roosevelt-Hoover result was charted within one per cent of actual results.

As was the case in previous years the partisans of political parties and candidates are arguing nightly as to how correct, and how far wrong, the figures may be.

When the ballots are counted, and not until then, will the country know how the general laws of average are operated in the great poll that holds attention in every part of the United States.

In the orderly process of registration of voters in Franklin County every community has increased its lists and this is true in Northfield where our number of qualified voters is 1015. In point of voting strength Northfield takes its place as the fifth in the list of the twenty-six towns. Let us hope that Northfield gives a good account of itself on election day.

VOTERS ATTENTION!

Federal money comes from duties on imports, taxes on large incomes and stamp taxes that no one feels. It does not come from taxes on real estate.

The Federal money allotted Northfield was given because the town officials asked for it and represented that the money was needed. It has been spent on projects that these same town officials designated.

While a Democratic Administration provided the money Republicans directed its expenditure in Northfield.

Had the Administration not provided the money and the town been obliged to take care of its own relief burden—the "Pay-As-You-Go" policy advocated by the Republicans—your tax rate would have been \$51.00 per \$1000 instead of \$33.00 as at present.

The money will be repaid in due course out of the increase in national income. There is no reason for assuming the burden now. Over \$57,000 of Government money in payrolls, clothing, and food already spent in Northfield. About \$30,000 still available on present projects.

VOTE the Democratic ticket to keep your tax bill down! (adv.)

CROSS THE "NO"

Three questions you will find
Three questions you will find;
Upon your ballot when you vote,
Three questions you will find.

No whiskey, rum, nor gin,
No whiskey, rum, nor gin;
Just cross the "NO" on question one
Against whiskey, rum and gin.

We want no wine nor beer
We want no wine nor beer;
Another "NO" on question two,
We want no wine nor beer.

Shall we have package stores?
Shall we have package stores?
Just cross the "NO" on number three,
We want no package stores.
